17/1/19

Dear Parents and Carers,

At Unicorn Primary School we have recently reviewed our asthma procedures after advice from Bromley Healthcare. We now hold an emergency asthma inhaler on site. You still need to provide your child with their own inhaler and spacer as prescribed.

We would like to notify you that if you have previously informed us that your child has asthma or has been prescribed a blue inhaler we will use the Schools Emergency inhaler in the unlikely event their regular inhaler fails to work or is missing.

Please can you complete and return the form below to let us know that you do or do not consent for your child to use the emergency inhaler by Friday 1st February, to ensure our records are complete.

Please ensure your child brings in a working in-date inhaler for use in school that has their name and date of birth on it.

Yours sincerely,

Alison Dodd
