

**After a very successful term we are excited to announce that Spectacular Science Club will continue this Autumn Term 2024 at Unicorn!**

Spectacular Science Club is an after school club which offers an hour of awesome fun in which children can learn more about the wonderful world of science. During each session children are truly engaged with different hands on science experiments including rockets, slime creations, circuits, learning about the planets, magnets, tie-dying, lava lamps, marble runs and lots, lots more!

Spectacular Science Club has been running since September 2018 and has proved to be a huge success. All teachers are fully trained and have enhanced DBS checks.

Sessions are held for one hour after school.

**Year 1 -6 Monday 9th September - Monday 9th December 2024**

**Year 1-6 Thursday 12th September - Thursday 12th December 2024**

If you would like to secure your place for Autumn 2024 please visit our website which is now taking all bookings.
